| Mental Health and Addictions | Environment, Arts and Recreation | Disaster Services | Consumer, Information and Municipal Services | |

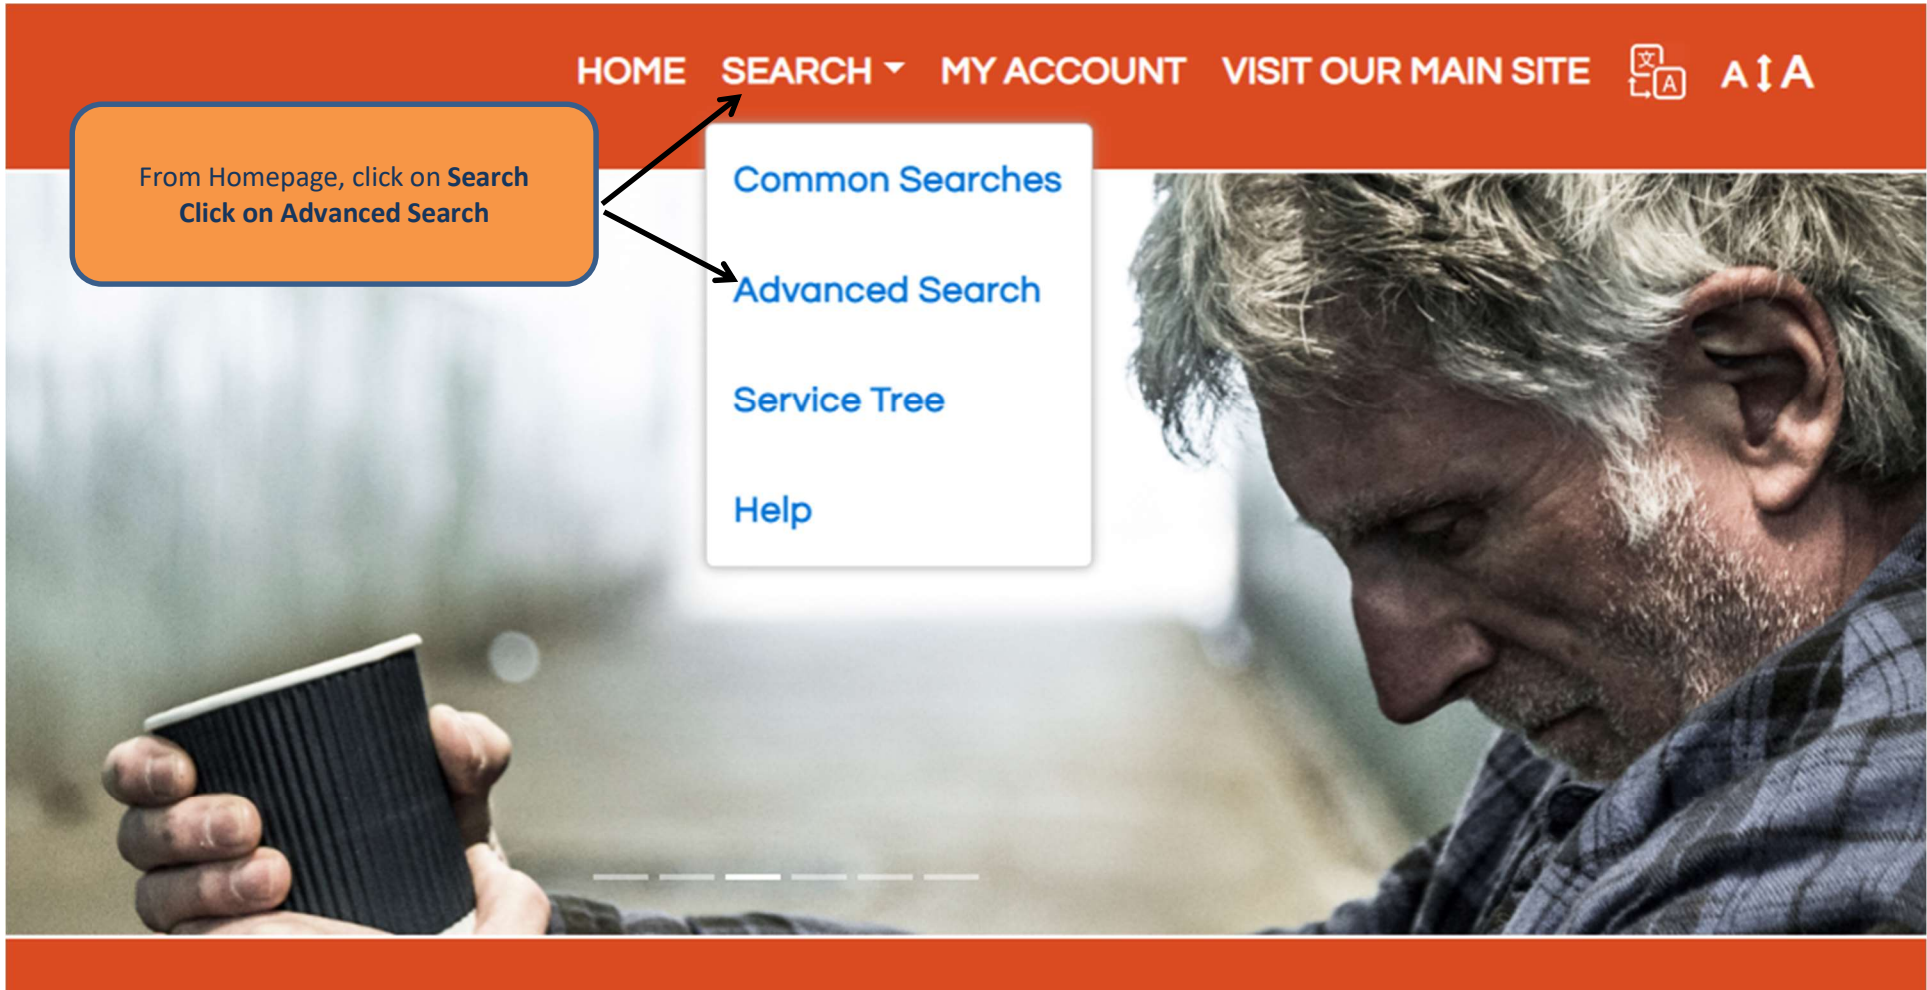

Chosen category will produce more specific service choices, choose one

The screenshot shows a web browser window with the URL <https://mo2-1-1.bowmansystems.com>. The page features a red header with the '211' logo and navigation links for 'SEARCH >', 'CHAT NOW >', and 'VISIT OUR MAIN SITE >'. On the left, there is a large red heart icon with a white cross, labeled 'HEALTH CARE'. To the right of the heart is a grid of 14 service category buttons arranged in two columns and seven rows. An orange callout box with a blue border and an arrow points to the 'Clinics' button.

Aging and Disability Resource Centers	Cancer Detection
Clinics	Dental Care
Health and Building Inspections and Public Health Information	Health Related Support Groups
Health Screening and Diagnostics	Health Support Services
Hospice and Palliative Care	Hospitals and Emergency Services
Insurance	Medical Equipment and Supplies
Medications and Prescriptions	Nursing and Rehabilitation Services

SEARCH METHODS: ADVANCED SEARCH

Keywords

Enter search terms into **Keywords** fields

All of the these words

ALL words entered here **MUST** appear in a provider's profile for that provider to turn up as a search result. 100 characters maximum.

Any of these words

If any one of the words entered here appears in a provider's profile that provider will turn up as a search result. 100 characters maximum.

Physical Location

To find agencies **PHYSICALLY LOCATED** in a certain area, search by zip, city or county in **Physical Location** fields

If you specify a physical location the provider must be physically located in that area to turn up as a search result. (Compare this to "Areas Served," below.) This is typically useful for people in rural settings who need to find providers nearby.

Note: You may only specify one type of location (zipcode OR city OR county OR state), not a combination. Additionally, Physical Location may not be combined with Areas Served.

ZIP code (5 digits)

results within 50 miles of this ZIP code

City

County

Areas Served

Or to find agencies that **SERVE** a certain area, search by zip, city or county in **Areas Served** fields **(RECOMMENDED)**

If you specify an area served the provider only needs to offer service in that area to appear as a search result. The provider is not required to be physically located in the area specified. For example, a suicide hotline will be physically located in a single building but can serve multiple areas. (Compare this the "Physical Location," above.)

Note: You may only specify one type of location (zipcode OR city OR county OR state), not a combination. Additionally, Areas Served may not be combined with Physical Location.

ZIP code

Must be exactly five digits.

City

County

CREATING PRINTED DIRECTORIES

The 2-1-1 website allow users to create individualized printed directories

Use the Tiered search method to find the resources that you want to print. Once you get the resource search results:

The screenshot shows a list of search results for Affinia Healthcare. Each result includes a checked checkbox, the agency name, a brief description, a list of services, and contact information. An orange callout box with a blue border contains the text: "After deciding which agencies to print, check the box next to those agency names". Two black arrows point from this callout box to the checkboxes of the two listed agencies.
